Richard C. Factor, President
The SETI League, Inc.
P. O. Box 555
Little Ferry, NJ 07643

Dear Mr. Factor,

I regret that the Packard Foundation will not be able to support the SETI League operating expenses and radio telescope as described in your letter and attachments of March 9.

We wish you success in setting up the all-sky survey that you describe.

Sincerely,

A handwritten signature in black ink that reads "Kenneth Ford". The signature is written in a cursive, slightly slanted style.

Kenneth W. Ford
