**SETI Education for the Public**

Ragbir Bhathal

Australian Optical SETI Project, Campbelltown Rotary Observatory  
University of Western Sydney Macarthur, PO Box 555  
Campbelltown NSW 2560, Australia

This paper gives a brief description of the design, development and construction of the \$200,000 optical observatory in the grounds of the University of Western Sydney Macarthur through private and other donations. It will discuss and evaluate the public programs and how it is used to popularise SETI to the general public and schools.
